This organization started in 2002 with the purpose of serving the greater Richmond area, focused on helping people find job opportunities. Whether relocated, terminated, down sized, or are still working and looking for a new opportunity, all are welcome. Meetings are held at Three Chopt Presbyterian Church (TCPC). (The meetings are temporarily hosted at St. Michael's Catholic Church during TCPC's renovation. A typical meeting involves networking and sharing Leads, guest speakers on topics such as resume writing, elevator speeches, self-marketing plans, web search skills, networking exercises, mock interviews, discussion group accountability, and general support. The purpose of networking is developing a network of friendly people who share information to help one another. 80% of the job openings are not advertised and networking is key.
